

# 2023 MSF County Fair Talent Contest

## Rules and Information

**PLEASE NOTE: Regardless of the rules used at the originating county fair, all advancing acts must comply with the following:**

### **GENERAL RULES**

**County Representation:** Contestants may represent only one county in the MSF County Fair Talent Contest. Should a contestant win more than one county fair contest, they must choose which county they will represent. The other county may send their second-place winner as a substitute. Contestants who win first place in multiple county fairs may only appear once at the State Fair. Contestants may represent only one county fair regardless of the division in which they competed. The rules state each act may appear only once. (An act is defined as the same person or configuration of people.)

**Eligibility:** Contestants must win a county fair talent contest to participate. The contest is open to all amateur entertainers. Professionals are NOT permitted to compete. This includes Union musicians and anyone whose principal source of income is from their talent. Compensation for performing at weddings, etc. does not constitute principal source of income.

There is no fee to enter this contest. Contestants are responsible for State Fair admission and parking fees.

**Appearances:** An individual may only compete once throughout the competition. A contestant may not perform "solo" and participate as part of a group during semifinals or finals. Contestants are allowed to also participate in the MSF Amateur Talent Contest, but they may only qualify for the Finals competition with one performance.

**Past Winners:** Except for previous 1<sup>st</sup> Place Open Division winners, acts that have participated in the past are welcome to compete again. 2022 Preteen and Teen 1<sup>st</sup> Place Division winners are ineligible to compete in 2023. After a one-year hiatus, former Teen Division first place winners are required to compete in the Open Division. Former Preteen first place winners must also compete in the Open Division if they are not of age to compete in the Teen Division.

**Divisions:** All acts compete in one of three different divisions, based on the age of the contestant at the County Fair contest date. Each act must compete in the same age division as at the County Fair contest unless act does not comply with MSF age requirements.

- **The Preteen Division** is open to contestants age 12 and under only.
- **The Teen Division** is open to contestants ages 13 through 18 only.
- **The Open Division** is open to any contestant, regardless of age.
- In cases where the act consists of a group of people, choose the division that is appropriate for the majority of the group members.
- Accompanists, when not a part of the act, may be any age.

**Accompaniment: You will be required to use a provided MSF USB Drive. Further information and instructions regarding the flash drive will be included with the contestant's performance confirmation packet.** Vocalists may use recorded accompaniment, provided it contains instrumental accompaniment ONLY; absolutely no vocals are allowed on the recording. For vocal acts, contestants will be disqualified if accompaniment recording has vocals of any kind. ***NO iPods, iPads or cell phones are allowed for accompaniment recordings.***

**Check-in Meeting:** All acts are required to attend a check-in meeting immediately behind the Baldwin Park Stage at **6:00 p.m.** on the night they are scheduled to perform. This meeting is mandatory and will last approximately 15 minutes. If the contestant does not attend the meeting, the contestant will not be allowed to perform. **Contestants who are using prerecorded accompaniment will need to bring the provided MSF USB Drive with them at this time.**

**Judging: Judges' decisions are final, and scores are not released to contestants or the public.**

Contestants will be judged on:

- quality of performance (including selection)
- stage presence
- entertainment value

**Selection:** All contestants must perform the same act or musical selection as used to win their county fair contest.

**Sound:** All contestants are required to use the sound system provided by the Minnesota State Fair. A sound technician is provided. The State Fair will also provide microphones, monitors, and a piano. All other instruments and amplifiers must be provided by the contestant. The State Fair does not allow microphones supplied by the act.

**Time Limit:** The time limit is four minutes and points will be deducted for contestants going over the limit. Musical groups and vocalists are allowed to perform a medley of tunes but must remain within the four-minute time limit.
